

KINDERGYM NEWS... TERM TWO 2016

Welcome back to Tea Tree Gully Kindergym and welcome to all of our new friends!!

This term at Kindergym our theme is **"STOMP AND ROAR!"**

We will be having fun stomping around like dinosaurs and friendly monsters and making lots of noise with various shakers and instruments.

BARE FEET ARE BEST!!

Now that the colder weather is here we are seeing some of our little friends with socks on their feet.

For your child's safety and also for them to get the most out of their Kindergym experience please remember to always remove their socks.

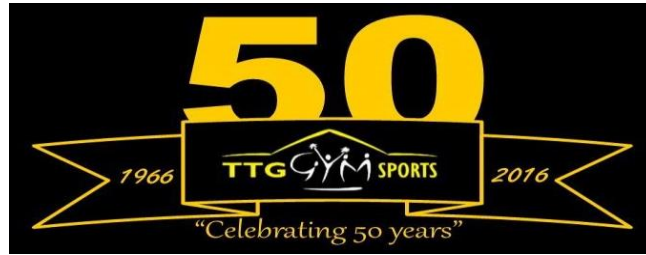

Bare feet are best for safety, balance, grip, building strength, body mapping and sensory experience.

Name Tags!

Please, please, remember to wear your name tags at Kindergym!
We do try to learn and remember everyone's name but please help us out by wearing one **each week**.

TTGGS 50th BIRTHDAY

You may have noticed our staff wearing our new 50th birthday Tshirts?!!

While our 50th birthday celebration day is not until October

(Sunday October 16th)

It will be here before we know it!

This will be a family fun day with a carnival experience with games, stalls run by families and small businesses from the local area, a gift for enrolled families as well as a display by each Gymsport - **including Kindergym and Pregym** which we hope many of our members can join in with!!

We will be requiring a number of volunteers to help ensure our day runs smoothly and we are hoping that some of our Kindergym and Pregym families can help us out. So that all of our families can enjoy as much as the day as possible we will only be asking for our volunteers to assist us for one hour, we will be needing people to help with some of our attractions such as bouncy castle, games, and also for things like supervising the front gate and handing out information. If this is something you think you could assist with please let us know.

Don't forget we are also giving our members, family or friends of members and the local community the opportunity to purchase a stall for only \$20 to promote or sell any homemade products or to promote their own business. If you are interested in this please email the club stating your name, contact number and type of stall.

Lastly, if you have any memorabilia or photos of the club from the last 50 years, we'd love it if you could share them with us!

PREGYM NEWS

We have welcomed many new friends into our Pregym classes on both Wednesday and Friday afternoons this term.

Our pregym sessions offer a structured session teaching basic gymnastics skills for children aged 4 years and over. We are now offering our Wednesday 2:15 session to those aged 3 years 6 months and over. We have revised our program to suit younger children while still accommodating those aged 4 years and over. Our Pregym sessions help develop confidence, strength and coordination skills and give children a great "Head start" for many other activities that children may go into as they get older including dance, soccer, football and of course gymnastics!

The skills we are learning this term include forward rolls, landings, using the parallel bars, rings and pommel and building up our upper body strength so that we can attempt hand stands by the end of term.

Speak to our admin staff to enrol your child into a Pregym session.

TERM TWO FEES 2016
