

KINDERGYM NEWS... TERM THREE 2017

Welcome back to Tea Tree Gully Kindergym for term 3

A huge welcome to all of our new friends- we have had a record number of new enrolments already this term which is fantastic! It is great to see so many people enjoying what we have to offer at Tea Tree Gully Gymsports KINDERGYM!!!

This term at Kindergym our theme is

"ANIMALS"

We will be jumping like little joeys, climbing and swinging like monkeys in the jungle, crawling like lions, hopping like bunnies, digging like wombats and jumping like frogs!!

KINDERGYM LEADERS

This term Kerryl officially joins our team taking sessions on Tuesday and Wednesday mornings. Thankyou to all of our families for being so welcoming with our new leaders and understanding while we have been training up and changing our staff members. We try to keep as much consistency as possible with our leaders as we understand that your children often become attached to their kindergym leader and the way that they run their session so now with our new team in place hopefully there will be less disruption.

UNIVERSITY OF SOUTH AUSTRALIA STUDENTS.

This term students from the School of Health Sciences at the University of South Australia studying the course Lifespan Growth and Motor Development (HLTH1043), will be attending Tea Tree Gully Kindergym to observe how it functions and what influences it has on the children who attend. Lifespan Growth and Motor Development provides students the opportunity to study the growth and maturation of the individual over the lifespan. In particular, it observes the interaction between the environment, heredity and task requirements that influences the development of each person. Kindergym programs are very positive environmental influences on children and the university students will be observing in a very general way, the level of basic skills exhibited by the children. The students may have some questions for you or may take some observations of your child's time in Kindergym. We appreciate your support with this program. For more information regarding this program please ask your session leader.

KINDERGYM RULES.

To ensure everybody has a safe and happy kindergym experience please follow our Kindergym rules:

- ☺ **Bare feet** – while adults can wear flat soled shoes (unless on trampolines) while in the gym all participating children must have bare feet.
- ☺ **No food or drink** (other than water) on blue floor at all times.
- ☺ **Stay with and supervise your child at all times** we suggest to be in arms reach of your child – we do understand that this can be difficult especially if bringing more than one child but please do watch your children from a close distance.
- ☺ **Walking inside the gym** Please ensure your child walks at all times while in the gym. Accidents happen when children are running.
- ☺ **Follow trampoline safety**

CURRENT KINDERGYM VACANCIES

While all of our morning sessions are now full we do still have vacancies in some of our afternoon sessions on Monday's, Tuesday's and Thursday's. If you know of anyone who might like to join in with the Kindergym fun please let them know!!

Our 12:30 session on Monday's and Tuesday's are very quiet so perfect for someone starting out wanting a session without many other people around or for a group of friends wanting to come along to the same session. Spread the word friends!!

JUNIOR PREGYM

This term we have introduced a "JUNIOR PREGYM" class for 3-4 year olds on Wednesday afternoons from 2:15-3:00.

This is similar to our current pregym sessions with revised structured skills being taught that are more suitable to younger children and in a shorter 45 minute session.
