"Admin staff will issue verbal and/or written requests for payment after 3 weeks. A late payment penalty of \$5 will apply after week 3 if no payment arrangement has been made with office staff"

### **Younger Siblings at Pregym classes**

Pregym is strictly for four year olds and it is a hands on experience with the child and their parent/ carer. We do ask that if you have younger children that you try to make alternative arrangements for them while attending with your Pregym child. If you do need to bring them along with you they must remain with you at all times without going on equipment or interrupting the session in any way. We do understand that this can be difficult however we are sure that you can appreciate the safety issues if we have younger children getting in the way of our Pregym children. We appreciate your understanding and cooperation with this.
